DISPLAY OF THE WEED.

Kentucky Tobacco Signally Honored by Fair Officials.

ALL GROWERS TO SEND IN SAMPLES.

Premium specimens from the District Tobacco Fair will contribute to the success of the exhibit--A Special Sub-Committee Asks This Interest to be Subscribed to the Fund.

The Tobacco Exhibit committee of the Kentucky Tobacco Association is rapidly maturing its plans for a display of the "weed" at the World's Fair next year. As has been stated in these columns before, Kentucky will have 50 per cent of the total amount of space given to tobacco in the Agricultural Building. This means that the committee in charge of the display from the Blue Grass state will have at its disposal 5,000 square feet.

Mr. Chas. D. Campbell, the chairman of this committee, proposes to make the exhibit not only instructive and valuable, but strikingly original. At the next meeting of his committee he will present a plan that will contemplate securing from every tobacco grower in the state, and there are something like 50,000 of them--a sample of premium tobacco. He is not making public the scheme of his exhibit, but enough of it is known for him to assure the public that every tobacco grower who contributes a sample will be given full credit in the display for his donation, and will be proud of the fact that he has contributed a good specimen.

COL. SAM H. STONE, Chairman Sub-Finance Committee on Tobacco.

Mr. Campbell has a committee consisting of about a score of the state's best known tobacco people, representing every distinctive type of this Kentucky product. He has recently issued a letter to the members, asking each to secure in his district, 30 samples with the name of the donor on each sample, and to represent in the samples collected, each grade of tobacco from trash to fine leaf. These samples will consist of 15 barrels. They may be from the 1903 crop or the 1904 crop. In case they are from the former, they will have to be delivered in Louisville before Oct. 1. If from the latter, not

CHAS. D. CAMPBELL, Chairman Tobacco Exhibit Committee.

until March 1 next year. A committee of three to be appointed by Mr. Campbell to secure samples from all the tobacco farms held in Kentucky between this date and March 1, 1904.

The General Finance committee of the association believes that the tobacco growers, dealers and warehouse men and manufacturers will be willing to contribute handsomely to the fund that will make possible a perfect exhibit of Kentucky tobacco. It has elected Colonel Sam H. Stone, of Louisville, chairman of a special sub-committee on tobacco, and Colonel Stone has appointed as his associates quite a large number of prominent tobaccoists in different sections of the state. A meeting of several of these was held recently in Louisville when it was decided to make every endeavor to raise \$5,000 among the tobacco interests of the state. A systematic and vigorous campaign for funds is to be inaugurated at once.

The Missouri Commission of the World's fair has set aside \$30,000 for the casting in bronze, for permanent preservation in Forest park, of the statue of Napoleon, to be executed by J. G. French, of Jefferson, by J. Q. A. Ward, and of the statue symbolic of Missouri, which will occupy a place in the Terrace of States. The statue of Napoleon and Jefferson will stand at the edge of the Grand Basin respectively west and south of the Educational Building and east and south of the Electricity Building.

Seven years ago a Kansas man, who got poor while trying to be a politician, pulled up stakes and went to Oklahoma to build up his fortune by raising potatoes. To day he is worth \$60,000 and every dollar came from his potato patch. Moral: There is more money in potatoes than in politics.

BECKHAM ARRAIGNED.

An Ohio County Democrat Shows Many Reasons Why He Should be Defeated.

Will some machine Democrat, whose reputation as such, is irreproachable, be so kind as to answer the following questions and thereby oblige a brother anti-machineist:

1st. The State of Kentucky, by its personal knowledge, refuses or fails to buy linsey underwear for the use in winter, of her female patients at the Hopkinsville Asylum for the insane, although, for sanitary reasons, they are required to take out exercise in winter, thus clad--why the failure?

2nd. Does such deplorable conditions exist at Lakeland and Lexington? Is there a medical treatise extant, supporting the theory that insane women are oblivious to the sensibility and effects produced by exposure to cold?

3rd. Is the State of Kentucky justifiable in adopting the judicious method of subsidizing an hereditary tendency to insanity by killing her crazy women or of reducing those who may survive the experience to a state of physical wreck?

4th. If the thermometer was standing below zero, and your wife was at home, would you, unless you were crazy yourself, think of taking her out for a stroll to exhilarate her mind and benefit her health, clad in a calico dress and short factory cotton underwear? If you would, you may answer with the trouble of answering these questions--your evidence would not be accepted.

5th. Where may I find a precedent for the practice of such brutal economy?

6th. Does Gov. Beckham know that between nine and twelve thousands of dollars furnished by the State of Kentucky (under his administration) to the Hopkinsville Asylum has been economically hoarded up at the expense and discomfort of those insane, dependent patients? If he does, the gratitude I feel to have owed him for carrying, in 1901, the Democratic banner to success in Kentucky, has long since been settled. If he does not, then his dereliction in office has been too heinously unmistaken to catch my compliments or my Democratic vote.

I certainly feel a greater obligation to my wife than do I to Gov. Beckham. I feel also that my political fidelity has a right to be contingent upon, at least, in a limited sense, party and administrative purity. Therefore if you would pride in the college of a word at my expense, please to call that word uncontentful for assuredly I am not in doubt. Notwithstanding the fact that my wife is a charity patient at Hopkinsville, she was never denied the comfort of linsey at home, and I still could have supplied her with that luxury, but was not informed until March of the present year (after she had been there a part of two winters) that the State could not afford to buy linsey underwear for insane women. A beastly shame to the dignity of the State of Kentucky, if such a thing as dignity, she yet presume to claim.

Recently I noticed a comment by some paper, presuming that Gov. Beckham had no knowledge of the brutality existing at Lakeland; possibly he did not, but I know what he did know. I was informed on the 25th day of December, 1902, by an individual in a position to know, by my wife was, by her lady attendants, inhumanly treated. I promptly informed Gov. Beckham in a lengthy letter, giving minute details and requesting his excellency to make a rigid investigation. He simply sent my letter to the faculty at Hopkinsville, the charges contained therein, as might have been expected, were promptly denied. The Governor accepted their mere denial as final and conclusive, and sent the doctors' letters to me, as evidence of the absurdity of my report. He also had the impudence to send me a comment on the integrity and worthiness in general, of that exalted faculty. If Gov. Beckham's utter disregard for the care of the insane is still to be indulged and tolerated, how long before everybody but himself and Alle will be concluded insane and treated accordingly?

While the Democrats of Daviess county are doing homage to Gov. Beckham because of Mrs. Beckham's nativity, I beg to inform you that my wife was also a native of Daviess county, and well she was not so fortunate as to marry a Democratic Kentucky Governor, yet she was of good parentage and prior to the misfortune of losing her mind, was a refined, educated, intelligent lady. My most recently revised conclusions on our political predicament and Democratic administration, are that both are a left-handed success. We got not what we hoped for and expected, but in lieu thereof, a heritage without end, to expectations.

If any machine Democrat should chance to doubt any statement or statements herein made, either by interrogation or declaration, it would afford me a source of the most exquisite pleasure, to alleviate the gentleman's doubt, by a confirmation on oath, of the facts here cited. Gov. Beckham as the duties of his office required, presumed to take charge of asylums, by appointing etc., subordinates, and if he afterwards becomes too busy by reason of the multi-

rious duties of office in contracting, collecting, etc. to attend to matters of such insignificance, he should so have informed the voters of Kentucky (from whence his exultation emanated) that one Governor was insufficient to serve the people of Kentucky and have Alle W. Young and Capt. Calhoun appointed to assist him, the legislature to affix the price thereof.

In order to be styled a loyal Democrat should I stand by with my arms complacently folded and my tongue adhered to the roof of my mouth and see my insane wife treated with fiendish barbarity? Nay verily, call me a Republican gentleman rather than a Democratic Spaniard. Recall, if you please, those brutal scenes in Cuba, when the sanctity of feminine virtue was but a sickening prey to the sexual peopleness of Spanish power and compare it to the record made by the Hopkinsville Asylum. The humane element of society in this Commonwealth regardless of party affiliations, should rise en masse, obliterate the practice and dethrone the power that sanctions the perpetuity of such unprecedented vandalism.

GOOD-BYE TO CALHOUN.

BY N. T. KELLEY

My cherished, my loving wife and I. Will sail at expense of Kentucky. Don't cry, nor sigh, for money galore. But merely wish to be lucky.

O'er the billows will we roam,
From our loving friends at home.
All because I made a strike so lucky.
No longer am I poor, for I got the money sure.
But I soaked it hard to friends in old Kentucky.

Your ship just let'er go,
Innuendoes let'em throw,
For I know that such is just and rightly sung,
With a longing do I crave now to ride the fair waves.

For the present, I will leave it all to Young.

Good-bye, don't cry, for soon we'll meet again.
If our voyage is fated to be lucky.
To return, I do intend, and some money with you spend,
On election day this fall in old Kentucky.

"You are dying" said the doctor to the country editor as he lay on his death bed after long weary years of toil. "And do you think I am going?" said the editor. "Yes I am sure," said the doctor. The dying editor turned his head and looked at him who had come to make out his last will, said: "And you think I am dying?" "Yes I know it," said the lawyer. The dying editor then said to the doctor, "How much do I owe you?" "About \$100," said the doctor. The editor then turned to the lawyer, "How much do I owe you?" "About \$100," said the lawyer. The editor then said to the doctor, "How much do I owe you?" "About \$100," said the doctor. The editor then turned to the lawyer, "How much do I owe you?" "About \$100," said the lawyer.

"Well," said the editor, "it will be a great satisfaction to die as my Saviour did--between two thieves." The doctor and lawyer faint and the editor got well.--Ex.

Be ambitious to excel. Put the stamp of excellence upon whatever you undertake. Put yourself in your work. Be honest with yourself, as well as others, and do what seems right to yourself. Put individuality in all you do, and strive to prove the superiority of the individual. Give your best energies to the work you choose, and strive to make the best of the material. Determine that whatever you do shall be done well.

THE BEST IS THE CHEAPEST

FREE TRIPS TO ST. LOUIS WORLD'S FAIR.
ALL EXPENSES OF THE 120 MOST POPULAR SCHOOL TEACHERS IN THE STATE PAID.

KENTUCKY BUILDING

School children and public generally invited to vote to determine the most popular in every county. Votes ten cents each, ten cent at one time, or five cents at two times. All money over and above trip expenses of teachers to be given to the most popular in each county. Every teacher who has given a worthy cause and has been successful in securing a large number of votes, at the same time a reward for his services. Contest conducted under auspices of Educational Exhibit Committee of the State of Kentucky. The association formed to raise money for a Kentucky Building and full display of the State's products at the World's Fair, the Legislature having passed an appropriation. Every educator in the State, whether teacher in public or private schools, or in the University, is invited to participate. The association will receive a certificate of appreciation from the State of Kentucky. The association will receive a certificate of appreciation from the State of Kentucky. The association will receive a certificate of appreciation from the State of Kentucky.

THE VOTES WILL BE TEN CENTS EACH, THE CONSTITUTION A BALLOT.

At ten cents each every school child in the State will be able to cast at least one vote for his or her favorite teacher. But the voting will not be confined to school children. PARENTS OF PUPILS OR ANY OF THEIR FRIENDS MAY VOTE. The purpose of the Association is to elect the most popular school teacher in each county, as so considered by the public generally, as well as by the school children. Ballots contain ten spaces, or clubs of ten pupils may be arranged and each giving the name of the teacher with his or her vote. If one person desires to cast ten votes, it may be done by writing his or her name on one of the spaces and repeating the name on each of the other nine spaces. The name of the person voting is given at all times for voters' names may be left blank. The Association wishes, however, to enroll in the Kentucky Building at St. Louis next year the name of every child who casts one or more votes in the contest. Pupils are asked therefore to sign their names plainly to the ballots.

ALL EXPENSES OF THE TEACHERS WILL BE PAID BY THE ASSOCIATION. This will include railroad transportation from Louisville to St. Louis and return, and the best hotel in the city for six days and admission to the exposition grounds for six days.

THREE PARTIES WILL BE MADE UP FROM THE MOST POPULAR TEACHERS to make the trip more profitable and more enjoyable. Each of these parties will consist of forty (40) teachers. This would make a total of twelve parties, but as there are only 120 counties in Kentucky, the Association has decided to allow two teachers from each county and the second most popular to go from that county--Jefferson excepted--which casts the greatest number of votes in the contest. **ALL TEACHERS IN THE STATE STAND ON AN EQUAL FOOTING** in this contest. The teacher with only twenty pupils may receive more votes than the teacher with five or six times as many enrolled in his or her school, because the voting is not confined to children. The public will be the teacher of a few months school, which closes in November or December, the opportunity to be voted for during the vacation period.

ANY NUMBER OF BALLOTS MAY BE CAST AT ONE TIME. There is no limit. The more ballots sent in for any one teacher the more votes he or she will be credited with. **ONE DOLLAR CASHES TEN VOTES; TWO DOLLARS CASHES TWENTY VOTES; THREE DOLLARS CASHES THIRTY VOTES; FOUR DOLLARS CASHES FORTY VOTES; FIVE DOLLARS CASHES FIFTY VOTES; TEN DOLLARS CASHES A HUNDRED VOTES; ONE HUNDRED DOLLARS CASHES ONE THOUSAND VOTES.**

All of the money received in this contest, over and above that used in defraying expenses of the 120 most popular teachers of the State on their trip to the World's Fair, will go for the erection of a Kentucky Building at the exposition grounds in St. Louis. This building may have the additional satisfaction of knowing that it has been built by the people of the State.

THE STAMPING OF THE BALLOTS WILL BE PRINTED FREQUENTLY in each county to show his or her friends how the race is being run. Begin voting now for your favorite school teacher. The votes will be counted and the approval of the Educational Exhibit Committee of the Association. The purpose of this committee is as follows: Dr. C. H. Brownell, Louisville, President; Prof. W. V. McWhorter, Frankfort; Prof. R. P. Hallett, Louisville; Prof. W. H. Bartleson, Louisville; Prof. F. Paul Anderson, Lexington; Dr. Chase Palmer, Louisville; President William D. Williams, Jackson; Dr. W. G. Frost, Berea; Dr. R. B. Hueston, Louisville; Dr. E. V. Mullins, Louisville; Prof. Arthur Yager, Georgetown; Superintendent M. A. Caldwell, Lexington; Superintendent E. L. Froge, Frankfort; Prof. C. C. Crabbe, Ashland; Prof. McKinley Rhodes, Owensboro; Prof. T. R. Allen, Bellevue; Prof. C. C. Rogers, Bowling Green; Prof. Isaac Spencer, Louisville; Miss Patten S. Hill, Louisville; Mrs. Emily E. Bracken, Louisville; and Mrs. M. A. Tucker, Louisville. Members of the Educational Committee are not eligible to election in this contest.

REMEMBER EVERY COUNTY ELECTS ITS OWN FAVORITE TEACHER. Competition between counties only applies to the race for the trip, the county, outside of Jefferson, casting the largest total number of votes being granted the distinction of sending two teachers. The result will be announced in every paper in the state, and in addition to this, a congratulatory message will go to the teacher elected in each county. Later the details of the trip will be arranged, each teacher chosen being given the privilege of selecting the month--June, July or August, 1904--in which he or she wants to make the trip.
